What is there to be said about a Woman such as this?
One who has impacted so many lives over the past THREE decades??

Many know her for being the amazing transportation coordinator who embraced each child as her own, but as per the Voices of Zion, we know her as: Ms. Todd, Sis. Marionette, Sis. Todd, and our MoM (Minister of Music). She is the compassionate listening ear that most of us have turned to many, **MANY** times over the years. Let's face it, for as long as she has served the community of Pleasantville, she also served faithfully in the choir of Mount Zion Baptist Church. For that, we will **NEVER** be able to repay you. We thank you for your continued and dedicated presence with us.

Here are a few words to describe the incomparable "Ms. Todd" as she relates to us, the VOZ!

Ms. Todd, you are an inspiration to us! We appreciate you for your timeless efforts, and patience. The Voices of Zion would like to congratulate you on achieving 30 years of dedicated service to the community of Pleasantville!!

To an amazing woman of God, Job well done!! WE ♥ YOU!!

- M** Is for MASTER (believe that!!)
- A** Is for ALTO (#FACTS)
- R** Is for RYTHMIC
- I** Is for ICONIC
- O** Is for OCTAVE (for she has MANY)
- N** Is for NATURAL (since birth)
- E** Is for ENSEMBLE (who-so-ever will)
- T** Is for TALENTED (we ALL know this!)
- T** Is for TENOR (she can sing ALL notes)
- E** Is for EVERLASTING (Amen!!)

Marionette Corbitt Todd

Congratulations to Marionette Corbitt Todd, a woman so loved, admired, and respected by her family, friends and community that she is being honored with this celebration for having completed thirty years of service to the Pleasantville School District _ the most recent position being that of Transportation Coordinator. Yes, ladies and gentlemen, being responsible for the lives of children during the sunshine, rain, snow; on week days and weekends; mornings, evenings, nights; in sickness and in health; when many of us were sleeping and didn't know what was going on outside of our eyelids, or fidgeting in sleep with fingers, toes, legs, and arms crossed hoping there would be no school...she was out checking the roads and forecasts to see if it was safe enough for our children to travel.

Marionette is the product of the Pleasantville School System. She is a graduate of Pleasantville High School and Atlantic Cape Community College. She is the daughter of the late Deacon Ralph and Deaconess Alethia Corbitt; the wife of the late William Todd; the mother of Darchele Todd Scott and the late Aleta Todd Hoskins, and the proud grandmother of Jailen Scott. Her siblings include the late Ralph Corbitt, Jr., the late William Corbitt, James Corbitt, Sr., and Rev. Gwendolyn Conedy. Additionally, she has and is a Certified Licensed Emergency Foster Care Provider for at least 10 children, loving and caring for the children as if they were her own, not wanting to give them back to their parents even when the division said she must.

Most of us know Marionette as an active member of the church community, having been raised and acquiring her foundation at Community Baptist Church and later establishing her membership at Mt. Zion Baptist Church where she served as the Minister of Music from 1986 - 2015, and currently serves as the Assistant Minister of Music, as well as Trustee. However, she is just as involved in the local communities. "National Night Out," a neighborhood project celebrated by communities throughout the USA, has been enhanced by talent shows and other entertainment coordinated by Marionette for over 20 years.

Although Marionette exited the Pleasantville School District as Transportation Coordinator, she did not start there. She actually began as a teacher's aide at Leeds Avenue School and later applied for Student Relations Assistant at Washington Avenue School. While at Washington Avenue School, she implemented the school uniforms policy, and the first 8th grade prom, organized and directed the eighth grade choir for graduation, and also formed the Social Skills Club which taught the students dinner etiquette and how to properly dress and conduct themselves for interviews. She also introduced the Truancy Program to the Pleasantville School District whereby the streets were scalded everyday picking up truant students. She later became the Truancy Advisor/Officer along with Sgt. Kevin Peterson, her "partner" police officer assisting her, and implemented Perfect Attendance Day at the AC Steel Pier for students who had perfect attendance. As an incentive, students received gifts of bicycles, CD players, boom boxes, TVs, and gifts cards from community merchants.

Other accomplishments:

- Introduced and organized an attendance seminar at Pleasantville Municipal Courtroom where parents would have an opportunity to have an informal hearing with the court judge assisted by the court clerk Cynthia Doughty.
 - Organized juvenile court day in AC every Friday for students with attendance problem where they would actually see their peers come to court shackled and handcuffed before the judge to be sentenced. Students had an opportunity to have a question and answer period with the judge about the juvenile's case.
 - Students were also taken to Atlantic County Jail in the Scared Straight Program, put on orange jumpsuit as an inmate. They came out a better student; eyes were opened.
 - Designed bus routes for middle and high school students in 1998
 - Implemented bus monitors at every stop
 - In 2001 was recommended for position as Coordinator of Transportation; served as Transportation Coordinator and Truancy Advisor. Transportation started out contracting bus to Integrity Bus & Safety Bus Company; later introduced plan to purchase bus. Started with 1 bus; increased to 21 buses and 4 vans to transport Middle, High, Special Needs students. Continued to save the district funds by expanding Pleasantville's bus routes to transport Charter Tech, Galloway Charter, International Charter School, Atlantic County Institute of Technology (ACIT), which now has 5 buses going to (ACIT)
 - Continued to expand transportation to running the district's sport trips, district field trips, CARE Program.
 - Started juncture to share transportation for other school districts
 - Later was asked to just be Transportation Coordinator because of such expansion
 - To date before retirement, had staff of 40 employees (bus drivers, bus aides)
 - Organized and directed the High School Choir for graduation in absence of Pleasantville High School music teacher.

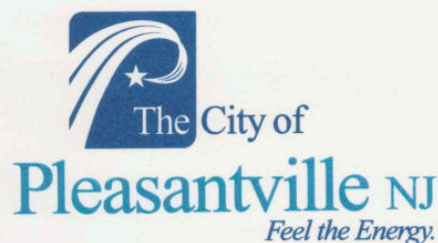

Marionette cherishes several awards and commendations from:

- Mayor Ralph Peterson – 1995
- Mayor Ralph Peterson- Primary Election -1992
- First Annual Spiritual Youth Day – 1993
- Annual Youth & Family Conference for 20 years
- Support Employee of the Year- 1994-1995
- Appreciation by the Fellowship of Churches – 2017
- 20 years organizing the Dr. Martin Luther King, Jr. Day & Youth Choir – 2017
- Appreciation Award for being vocal coach for Pleasantville High School students and organized background vocal group for The Wiz
- Pleasantville Municipal Alliance -2008
- Dedicated Services to Children & WASS Staff

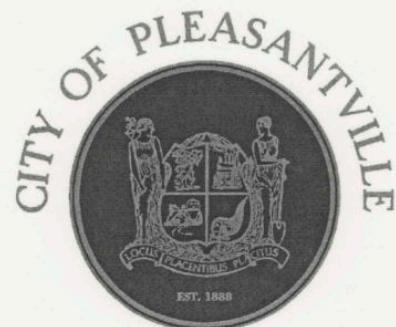

Now that she has retired, you would think she would ease up a bit – not this lady! Some of her friends are telling her she needs to go back to work. She is still busy! It's not unusual to see a text from her sent at 2:00 in the morning requesting you to attend service at the church, or help form a choir, or purchase a ticket for some church event. You wonder when or maybe even "if" she sleeps. No church or person is exempt. She helps EVERYBODY – ANYBODY! It's not surprising, that one of her favorite songs is "If I Can Help Somebody As I Pass Along the Way, Then My Living Shall Not Be in Vain."

Marionette, here is a tip for you: Slow down and enjoy the scenery!
