IN LOVING MEMORY OF

To My Son

My Son, I never wanted you to feel like you were alone, you were always perfect in my eyes, even on days when I would wonder why you would do some of the things you would do, you were still My Son. No matter how near or how far we were, you were still My Son. My love was there to encourage you when you were feeling weak and on days you were feeling strong. My Son, you didn't know this but you calmed me when you just wanted to rest in the comfort of my embrace. My love was there to help you when you were feeling confident & proud and my love was there to remind you of how far you have come. My Son, I believed in you, and wanted you to know that you had no limits to how far you could go. Darnell, you came a mighty long way, and for that, I thank my God for giving you the strength to keep going even when you thought you couldn't make it. My Mother's Love was unchanging and unconditional, that's why no matter what, I would love you just the way you were.

You were My Son.

Always in my Heart

Love your Mother,
- Linda

Brothers

You gave no one a last farewell, nor ever said good-bye, you were gone before we knew it, and only God knows why. A million times we will miss you and million times we will cry. In our hearts you'll forever hold a special place, that no one else will ever replace. It broke our hearts to lose you, but you didn't go alone, for part of us went with you the day God took you home. We will meet again someday we know in a better place. We thank God he made you our Brother, while you were here on earth.

Love beyond words

Missed beyond measure

Always and forever in our hearts your Brothers,
- Ray & Andre
